INTRODUCTION & PROGRAM OVERVIEW

Congratulations! You have just begun the process of registering your child for an awesome summer of faith-building, relationship-nurturing, healthy activities and FUN! The Presbyterian Church of Jackson Hole is proud to once again offer this extraordinary children's Christian summer day camp. We are very excited to be able to offer you and your family this joyful, faith-forming, fun-filled growth opportunity. As we partner with the community in providing a high caliber and professionally staffed summer program, our goal is to facilitate a summer your child will long remember. We are thrilled that your child may be joining us this year!

The Presbyterian Church of Jackson Hole is committed to being an instrument through which God transforms our world one person at a time...

This PCJH Summer Ministry 2014 is a ten-week summer day camp designed to "Pass On the Faith". This faith-based program will be geared toward enhancing the full development of the whole child: spiritually, socially, emotionally, physically and intellectually. We will foster circumstances and opportunities for positive communication, self-expression, creativity, growth of positive self image and learning about the world, self, and Jesus.

Our Summer Camp mission holds fast to Christian principles such as honesty, mutual respect, service to community and love, which will in itself create a nurturing environment. We encourage responsibility and the development of a strong character. We will nurture relationships as mentors in faith-formation. Church-wide, we have a vision and mission to grow disciples of Jesus Christ.

~ PCJH'S 3 'G's ~

Gather to love God

Grow to know and follow Jesus

Go into the world to make a difference...

As we actively Pass on the Faith by living the 3 Gs, PCJH is committed to being a
Christ-centered;
Biblically based;
Healthy congregation that welcomes all;
Does its ministry and mission with excellence and;
Is present in our community and world as salt and light.

The Presbyterian Church of Jackson Hole is a community-based, Christian church. At PCJH you will find people from many denominational backgrounds... and none; some younger and those a bit older; the politically conservative and those who are liberal; richer folks and poorer folks; those from "born-again" experiences and others from an "actions speak louder than words" belief; some with a deep knowledge of the Bible and some with just a preliminary understanding of the scriptures. What holds us together is a heart of gratitude to God for the reality of God's grace in our lives (this is why we gather), a desire to become more like Jesus, God's Son and our Lord (this is the focus, or why we grow), and an active caring for our neighbor (we are committed to Go to make a Christ-like difference in our community and world). Our beliefs are reflective of the Reformed tradition from which our denomination, The Presbyterian Church (U.S.A.) has grown.

If this church family appeals to you, we would love to have you join us!!

★ curriculum, varied memory verses and Bible stories, and also many hands-on experiential and spiritual experiences in God's great outdoors. One week your child may be learning about sports and good sportsmanship, playing tennis, or swimming. The next week your child may delve into the wonderful gifts God gave us in artistic ability: painting the Grand Teton one day; writing character stories the next; and molding clay (as God molds us) the next day, led by a variety of community artisans. The next week he/she may participate in a traditional Vacation Bible School on the church campus, with station rotations. The next week each student may venture out into the Tetons for a Grand adventure - exploring geologic formations, tracking, using a compass and learning how God created this amazing place in which we live. Service in our community is a weekly occurrence. Some days we will be completely off campus, some

we will leave mid-day for excursions and some we will remain on campus, rotating through activities including arts and crafts, storytelling, puppetry, science, faith learning, academics, games and recreation or special projects. The preschoolers, with half-day (3 yr olds) or full day (3&4 year olds) options, will be on a similar schedule with shorter rotations throughout the day and recess. The 3&4 year olds will have nap/rest-time as part of their afternoon. Each week will be packed with opportunities to play, grow, have fun, and learn in a variety of ways.

We want you to be confident that this is just the right program for your son or daughter! Please feel welcome to call with any further questions!
