### PARENT TIME:

In our world of social media, some of us are guilty of over sharing. We post pics of our dinner, share the funny video of our dog, and tell the world when our kid scores a homerun. But most of us are not as strategic when it comes to sharing about what God has done in our lives. Take some time to think about what God has done for you. Tell your kids about your experience with God. Then ask your kid what God has done in her/his life. By practicing talking about God with each other, it will be easier for both of you to tell your God-stories to other people.
