Peach Sale News !

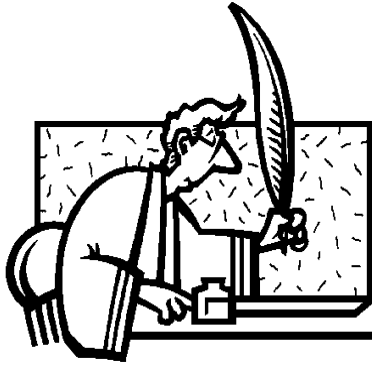

Due to freezing spring weather, the Colorado orchard that supplies peaches for our PCJH annual peach sales suffered a significant peach crop loss (upwards of 75%!). That means we won't be able to get as many lugs of peaches for this year's sale as we did last year.

We anticipate that the demand for peaches will still be high. Therefore, to be as fair as possible to as many purchasers as possible, we have been forced to adopt a revised sales strategy. There will be only ONE sale this year—tentatively set for 5 pm on Thursday, August 25th in the church parking lot. It will include both peaches and apples.

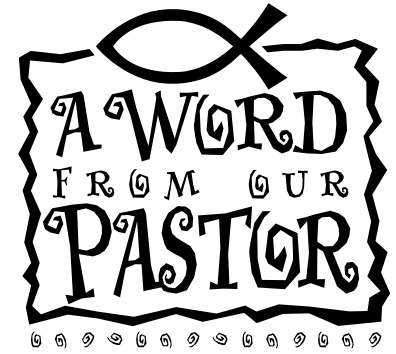

Due to the reduced number of peaches, each person in line will be limited to 3 lugs (including lugs they may be buying for other people) so that more people have an opportunity to get some of these fabulous peaches. If you want more peaches for yourself or for others, you can get in line again (each trip limited to 3 lugs). There will be no advance or reserved orders. We do not anticipate a limitation on the number of boxes of apples you may purchase.

Peaches will be \$28 per lug and apples will be \$23 per box.

Please check the church's Sunday bulletin and the website (www.pcjh.org) to get an update on the sale date. Please pray for continued good weather in Colorado (no hail!) so that the smaller, existing peach crop matures.

Paul's Page

Howdy Everyone.

This past Sunday our friend Alison Kyle-Varilone sang one of my favorite songs during the 10:15 service, "Surely the Presence of the Lord is in this Place." The song was based on a phrase from Genesis 28:16 when Jacob met God as he ran from his brother Esau out of fear. As I thought of the text and sang the song I was reminded of the many places that God meets us in unexpected ways:

- † The beauty of creation in the midst of a difficult hike;
- † A unexpected kind note from a friend;
- † 4 notes from previous weddings saying "Thanks" for joining our lives together 30 years ago;
- † In the midst of reading some of the tough passages from the Old Testament;
- † Singing a song of praise with the radio in the car when all of a sudden I know I am in the presence of God;

I know the list could go on and on. I hope you will add to the list the ways in which you experience God's presence in unexpected ways.

By the time you read this I will be giving thanks for your prayers following my surgery. I have been fighting a stomach issue for the past 11 years and this year it became obvious that I needed to have it corrected. As you have been the "prayer covering and support net" for so many, so you have been and are to me. I am deeply grateful. I know God will be present with me in a place called "hospital." Thank you.

Thank you also for the support net you are to the life of The Presbyterian Church of Jackson Hole. As God's Spirit has led us we fulfill a unique role of God's Kingdom work here in Jackson. We reach people that have not and are not being reached. I am in the unique position of seeing people come alive in their faith. I am honored to hear the stories of people who have been called into service.

I was deeply moved by our congregants on May 29 as they stood and placed sticky notes on the mission signs in the sanctuary. Our people are intentionally involved in hun-

dreds of mission activities in Jackson and beyond. It is obvious to me that when I commission you at the end of each Sunday worship to take the love of God into the world that you take that 'sending forth' seriously (Colossians 3:17). People meet God unexpectedly through your serving. I am honored to be a part of God's work.

I am also honored with the financial support you give to PCJH. I regularly see God's hand at work through the 'business aspect' of the life of the church. In economically tough times we have been stable and growing in our Annual Fund. We have also been able to help a number of members during their times of crisis through the Deacon's Fund. Now, as we look to pay our remaining building debt so we can have greater freedom to pursue ministry (our internal service) and mission (our work beyond the walls of PCJH) as the Spirit leads us, you understand this desire and drive as well. I know many of you are in prayer considering what you can contribute so we can meet our 100% participation goal. Thank you for your continued support in prayer, participation, and contributions that make this ministry viable.

Finally, Terri and I want to invite you on our next Biblical lands trip to Western Turkey and Greece, March 8-22. It will be an exciting time of visiting some of those places from the New Testament where Paul and John discovered the presence of the Lord who loves the whole world. It will be a time to walk in their footsteps, look at the archeology of that day, remember the biblical story, and share fellowship with one another. If you are interested let me or Terri know (tjhayden58@gmail.com).

With you in the joy of experiencing the presence of the Lord.

Pastor Paul

Dear Church Family,

I will be resigning from my position as Youth and Young Adult Leader. I will be leaving in mid-August, to head back to Pittsburgh to work with Inner City children and sports ministry. I will also be going back to school. After much praying, I have felt God calling me to this new chapter in my life. He has opened and closed doors to make this transition possible.

I would like to thank the staff and congregation here at PCJH for welcoming me into your family and supporting the youth ministry here at PCJH. God is blessing this ministry in so many ways and I am excited to stay in touch to see how He continues to bless this church body.

My prayer for this congregation is for all of you to learn God's word and understand what it means in your life. May God continue to bless you all under Pastor Paul, Pastor Ben, church staff and lay leaders. May you all continue to learn how to love God and others.

My prayer for the students at PCJH is for you all to continue to grow in God's love, finding ways to grow in your journey with Christ, and to share that love with your peers at school. I pray as you grow in your teen years that you don't forget the God who loves you unconditionally, who will never leave your side and will always be listening. PLEASE take advantage of the youth ministry program here at PCJH and get involved where ever you can.

I will miss you all greatly and again thank you for the opportunity to minister to the students here at PCJH.

*Blessings,
Matt*

Dear PCJH Family,

I hope you are having a fun-filled summer full of adventure and reflection on God's love for you. As you just read, our youth director, Matt Coyne, has officially resigned and will be ending his ministry here at PCJH in mid-August. I am proud of him for making a decision that moves him in the direction he feels God is calling him... to finish college, to continue working with youth through the YMCA, to return to the land of the Steelers (which we all know he loves!), and to be closer to his strong community of family and friends. We will miss his energy and love for our youth. I am thankful for his hard work on behalf of our middle school and high school students. Thanks to Matt, our middle school ministry has a core group of students who are passionate about the Lord and committed to meeting weekly on Sunday nights. Our high school ministry is beginning to form through their experience serving together in Guatemala on the mission trip. Matt has done an outstanding job with special events such as the 5th Quarters, Lock-Ins and the 30-Hour Famine. Matt has also been our go-to guy when we need help around the church with computers and cars. If you see Matt in the next few weeks, please be sure to thank him for his service and to wish him well on the next chapter in his life. We will be planning a going-away party for him in August (date to be determined). Please also keep the children, youth and family department in your prayers as we discern God's call on how best to move forward with the momentum Matt has developed in our youth ministry.

Faithfully,

~Pastor Ben

Wednesday Night August Adventures

During the month of August there will be NO Wednesday Night Worship, however, the young adult community will continue to meet for a weekly outdoor adventure together. Each week we will have a devotional component to our time together. We will strive to make all outdoor adventures accessible to as many young adults as possible. We will always gather at the PCJH parking lot at 5:30pm in order to congregate and carpool to the location of our adventure. Please either eat dinner before or after the event, or bring some food to go. Those who cannot go on the outdoor adventure will always have the opportunity to meet up with the group at our après location for food and drink around 9:00pm. I hope you can join us for one or all of the events. Please contact the group leader if you need help with acquiring equipment. I look forward to having some holy adventures with you this summer! -Pastor Ben

Sunday School

The world has no greater treasure or hope than the little children. Jesus recognized this and has put the charge upon us to love and nurture our children, and teach them the ways of the Lord. We encourage you to take up the charge and come join us! We look forward to serving with you.

AUGUST DEACONS

Dear Church Family,

Peter and I moved to this magnificent valley in May, 2010, after spending over 20 years as "visitors." We raised three children in Michigan and our family now includes 3 spouses and 7 grandchildren

After many years as a community volunteer, I retired. PCJH welcomed us with open arms and I felt called to volunteer in the church. I was asked to be a Deacon and after much thought and prayer, I accepted. I am finding it very rewarding to work with fellow members of our church with my flock .

I look forward to my Monday Covenant Group, the Thursday Mission Dinners and Lay Reading as part of my church life.

Thank you for the opportunity to serve and to grow in my faith.

Blessings, Susan Ordway

My name is Sandra Zender and I serve as a PCJH Deacon. I enjoy being part of small groups like the new moms Bible study and fellowship dinner group. I also enjoy sharing the Good News of Jesus Christ with children because my faith memories played such an important part of my life and adult years here in Jackson. I am often challenged with why worship at a church is important and my heart smiled when reading the JOY summer camp calendar that "Jesus went to church and we can too".
