# Paul's Page

Howdy Everyone.

He is risen! He is risen indeed!!

*<sup>1</sup>We declare to you what was from the beginning, what we have heard, what we have seen with our eyes, what we have looked at and touched with our hands, concerning the word of life—<sup>2</sup>this life was revealed, and we have seen it and testify to it, and declare to you the eternal life that was with the Father and was revealed to us—<sup>3</sup>we declare to you what we have seen and heard so that you also may have fellowship with us; and truly our fellowship is with the Father and with his Son Jesus Christ. <sup>4</sup>We are writing these things so that our joy may be complete. 1 John 1:1-4*

I turned 60 years old this year. Much has happened during my six decades. We have fought three wars and one "conflict"; we have gone through several times of civil unrest; we have seen 12 presidents come and go; we have witnessed the rise of the telecommunication industry; we have seen the computerization of much within the world; we can see, almost instantaneously, events happening a world away; we have seen the empowerment of groups that have long been silenced; we have been witness to the tensions of the modern family; we have seen the destruction of lives by illicit drug use and the list could go on. The events within our world have shaped my life.

It had been about 60 years since John had witnessed the resurrection. During his time he had seen the fall of his native homeland; he had been exiled for his religious faith; ten of his closest companions had died terrible deaths; Christians had been blamed for Nero's destructive fire in Rome; to sign up for being a Christian often meant martyrdom and the list could go on. The events of his world could have shaped his life. But in the midst of these human realities, John "declared" truths about a fellowship that would help those early Christians rise above the pain of their day. There was one who promised eternal life and then, after being crucified, he rose to a new life confirming the promise he

had made. They saw him. They spoke with him. They touched him. They were transformed by him. The resurrection of Jesus Christ was the defining event from his previous 60 years and for all eternity to come.

John and his fellow disciples declared this life changing relationship to the people of his day. I am sure they declared this life transforming message in both word and deed. John had no greater joy than to invite people to become part of the "fellows-in-the-same-ship" group. He didn't do it on only one day of the year, but every day during the year. Easter became the description of his life. He was one of Jesus' "Resurrection People." What defines your life? How will Easter shape and mold you this year?

Celebrating Easter with you,

Pastor Paul

**Dear PCJH Family,**

Happy spring! I hope it is starting to feel like spring by the time you read this. For those of you who were able to get out of town for vacation, I hope you feel refreshed and renewed and ready to re-engage into the life of PCJH and all that God is doing in and through this congregation. I would like to share a few great things that are happening in April at PCJH.

**Easter Sunrise Service: Top of the Tram**

Please join us for a special community-wide interdenominational Easter sunrise service at the summit of the aerial tram at 10,450 feet. The tram leaves at 6:15am sharp on Sunday morning, April 8<sup>th</sup>. Don't be late. I would encourage you to arrive at Teton Village no later than 6:00am. There will be a service no matter what the weather is like that morning. If there is a major snow storm we have "Plan B" and will be meeting in the Gabe Room in the Bridger Center at Teton Village. Let's pray for sunshine and no wind. It's going to be beautiful!

**Easter Brunch**

Please support our high school mission trip students with your stomachs (and your wallet). Come hungry to our annual Easter Brunch which raises money for the student's mission trip to Hollywood where 17 students will be serving the homeless. Sunday, April 8<sup>th</sup> at 9:00am-10:15am and 11:30am-12:30pm. Bob and Mary Walton and our gracious kitchen crew will be preparing the meal. It's going to be wonderful!

**Agros Service Trip to Nicaragua**

During the week of April 14<sup>th</sup>-22<sup>nd</sup> there will be a team of 10 people from PCJH flying to Nicaragua to meet the people of Tierra Nueva for the very first time. PCJH has entered into a seven year commitment to "Journey with a Village" in the mountains of Nicaragua. The service team has spent the last few months meeting as a team and preparing for this very important milestone marker in the life of PCJH and Tierra Nueva. Many of the villagers have just recently moved onto their land within the last six months and we will be the very first service team they have ever experienced. We look forward to building relationships with the villagers. Please pray for safe travels and transformed hearts. Also please pray for wisdom and guidance as we begin this signifi-

cant relationship between PCJH and Tierra Nueva. If you are interested in going on the next trip, we already have the dates reserved: November 3<sup>rd</sup> - 11<sup>th</sup>, 2012. Contact Bob Kopp if you are interested in going.

**Parent's Night Out**

Parent's Night Out is finally back! Friday, April 27<sup>th</sup> from 5:30 to 7:30pm at PCJH. Drop your kids off at the church and we'll babysit them and teach them about Jesus while you go do what you need to do... go on a date with your spouse, take a bubble bath, exercise, OR... join my wife, Addie, and me for dinner at the Rendezvous Bistro private dining room for a chance to fellowship with other parents. Space is limited, so please RSVP to Diane McGee at [dmcgee@pcjh.org](mailto:dmcgee@pcjh.org) if you'd like to get to know other parents while dining at Rendezvous Bistro. They will have an off-season special at that time so it should be relatively affordable. I'm looking forward to this great time of fellowship!

**First Communion Class**

I will be teaching a first communion class for children 8 years old and up on Sunday, April 29<sup>th</sup> at 9:00am. Parents are to come and participate in the class too. We will talk about what the Lord's Supper means in preparation for communion the following week on Sunday, May 6<sup>th</sup>. This will be a milestone in your child's faith journey as they participate in the sacrament of the Lord's Supper.

**Parenting Your Teenager**

I will be facilitating a class entitled "Parenting Your Teenager". It is a curriculum developed by Drs. Les & Leslie Parrott. Les is a professor of clinical psychology and Leslie is a marriage and family therapist. They are authors of many popular books and have been on programs including *Oprah* and *Good Morning America*. The topics we will cover include discussions on identity, turmoil, rebellion, safety and legacy. The class will be offered on Wednesday nights at 5:15pm starting April 11<sup>th</sup> through May 9<sup>th</sup>.

Lots of exciting stuff going on in April! May the Lord be with you and me.

Faithfully, ~Pastor Ben

## Easter Joy

Jesus came to earth,  
To show us how to live,  
How to put others first,  
How to love and how to give.

Then He set about His work,  
That God sent Him to do;  
He took our punishment on  
Himself;  
He made us clean and new.

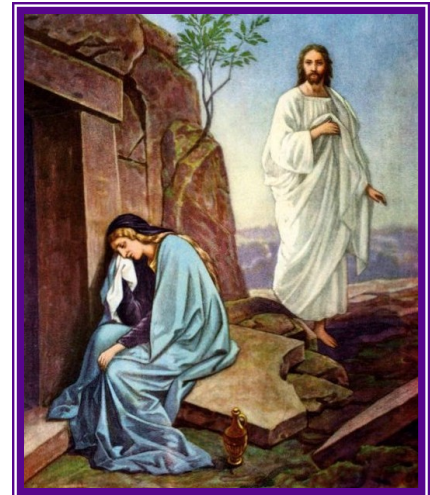

He could have saved  
Himself,  
Calling angels from above,  
But He chose to pay our price  
for sin;  
He paid it out of love.

Our Lord died on  
Good Friday,  
But the cross did not  
destroy His resurrection on  
Easter morn  
That fills our hearts with joy.

Now we know our  
earthly death,  
Like His, is just a rest.  
We'll be forever with Him  
In heaven, where life is best.

So we live our lives for Jesus,  
Think of Him in all we do.  
Thank you Savior;  
Thank you Lord.  
Help us love like you!

*By JOANNA FUCHS*

*Woman why are you  
crying?  
Who is it you are  
looking for? John 20:15*

## God's Little Lambs

Pastor Ben has fun in Chapel time!

Gabriel concentrates on a science experiment.

Well, it looks like the snow is melting...or at least trying and hopefully spring really is just around the corner. I pray you all had a wonderful spring break celebrating family time and getting out of town for a bit.

During the month of April, Little Lambs will learn about windy weather and will dedicate an entire week to Earth Day. During that week, each class will host a service project in order to learn how to take better care of our environment and our community.

Lastly, our memory verse for April is "A friend loves at all times." Proverbs 17:17. How great it is to be reminded to be a good friend to each other and that Jesus is our friend forever! Happy Spring!

~ Mrs. Erin

## 2012 STEWARDSHIP THEME "WITH A GRATEFUL HEART"

Stewardship is the belief that all we have, our time, our talents, our treasures, our relationships, our faith, creation, and everything else is a gift from God. God has given us the responsibility to be stewards of those divine gifts. It is wonderful that within the responsibility of taking care of those things, God has also given us the pleasure of using those things for our enjoyment and to advance God's Kingdom. Stewardship is joyful responsibility!

This year, your Stewardship Team has selected "With a Grateful Heart" to be the theme of all we will do within the life of our congregation. Gratitude/Thankfulness is a central characteristic within our Christian faith. Listen to some of the statements from Scripture:

... always giving thanks to God the Father for everything ... (Eph 5:20 NIV)

Pray without ceasing; rejoice evermore; in everything give thanks for this is the will of God for you in Christ Jesus. (1Thess 5:16-18)

Whatever you do, in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him. (Col 3:17)

### For what do we give thanks?

Serving others on Wednesday evening;  
Helping others praise God by singing in the choir;  
Passing on the Faith by teaching Sunday School;  
Supporting our Youth Mission Trip through prayer and buying a Super Bowl sub;  
Learning my faith by participating in a small group;  
Advancing the ministry and mission of the Kingdom of God by serving as a member of a Church team or committee or volunteering in God's work;  
And there are many more examples.

### And how do we give thanks?

Through loving service;  
Praising God in song, word, and thought;  
Learning the faith so I can pass it on;  
Being grateful that I have been given gifts to share;  
A smile as I serve or listen;  
A quiet prayer in the midst of serving.

God has given us so much. This year let's take every action of serving, every word of sharing, every thought in passing, and turn them into a statement of gratitude for the One who has gifted us. Let's live life with Grateful Hearts.

## ONE GREAT HOUR OF SHARING EASTER SUNDAY - April 8, 2012

A Special offering of the Presbyterian Church (USA) For more than fifty years, Presbyterians have joined with Christians throughout the nation in supporting *One Great Hour of Sharing*, responding to Christ's love for all people by joyfully sharing that love with people in need. The refugee and the stranger have found food and safe shelter; those stunned by the aftermath of disasters have found relief and help rebuilding; and communities seeking to take control of their future have found partners in development. Presbyterians' gifts support the work of The Presbyterian Committee for the **Self-Development of People**, **Presbyterian Disaster Assistance**, and the **Presbyterian Hunger Program**. The hundreds of millions of dollars Presbyterians have given over the last half-century have enabled a powerful witness to the love of the One who came that all might have life more abundantly.

**Disaster Assistance** has helped, this past year, in Haiti, helping families survive and start to rebuild their lives, in Asia helping with long term rebuilding; all over the world feeding the hungry, helping them produce, store, and sell their food. For specifics on these and many other places where help was and is being rendered, go to [www.pcusa.org](http://www.pcusa.org), SEARCH for One Great Hour and click on each of the three areas of assistance mentioned above.

**It is amazing what your offerings have helped accomplish!**

You may use the offering envelope in the back of each pew or pick one up by the display near the church entrance.

## HAVE YOU EVER VIEWED THE DESTRUCTION FROM A FLOOD OR TORNADO AND WANTED TO HELP THE VICTIMS?

If your answer to this question is **YES** you may be interested in a new PCJH Mission ministry to provide Disaster Assistance locally, regionally, nationally or even internationally.

Our plan is to establish a program to train people from PCJH and possibly other local church and community members so that we are ready to respond when a disaster strikes and people are in need. Your Mission Team views this as a great opportunity to involve more people in our congregation in the "GO" portion of our "GATHER, GROW & GO" PCJH mission.

However before we commit resources to this program we need **YOU** to let us know if **YOU** have an interest in learning more and possibly participating. This type of program requires at least 15 participants to be effective and the Mission Team is hopeful that our congregation will respond enthusiastically.

SO.... if **YOU** have an interest please take a moment to either call or send an email to Bob Kopp, your Mission Elder, at 307-203-2329 or [bkopp@waldenasset.com](mailto:bkopp@waldenasset.com). Bob will then let you know when the first organizational meeting will be held.

# Meet our Newest Stephen Minister

Hello! I'm Paul Scott, Stephen Minister of the month for April.

First, a brief snapshot of myself. I grew up in a small coal mining community outside Pittsburgh, PA. I played 3 sports in high school and was fortunate enough to get an athletic scholarship to the University of Pittsburgh where I played football, baseball, and earned an Engineering degree.

My working career started in Syracuse, NY with moves to Houston, Chicago, Brevard, N.C. and Dallas. I moved to Jackson in June of 1988 from Dallas where I had been involved in oil exploration and cattle ranching. The oil crises of 1982/83 brought those careers to an end. Needing to recover some financial losses I became a real estate broker for 2 local firms for about 15 years. I've been retired for about the last 8 years.

I attended three different churches in Jackson before discovering PCJH. Pastor Paul had been recommended to perform the wedding ceremony for my daughter Shannon, who married in 1996. She, along with her husband Dave, and my two grandchildren (Dallas, 13 and Delaney, 7) live in Boise, Idaho. Pastor Paul was impressive as usual and I decided to give PCJH a try. I've been a member now for about 14 years.

We have a wonderful and caring church family. During my years here I have had numerous surgeries and prostate cancer. Our faithful congregation has successfully prayed me through it all. As a result, Gods' blessing and healings have been realized many times over in my life, thus, the reason for me getting involved in Stephen Ministry. It gives me the opportunity to care for others as I have been cared for.

Scripture says trials and tribulations will come. No one is exempt from the problems of everyday living. As Christians, we are to stand by one another during difficult times.

So please don't hesitate to contact Pastor Paul or one of our Ministry leaders for more information. I am honored to be part of this care-giving support group.

God Bless You All, Paul Scott
