Senior Pastor Rev. Dr. Paul Everett Hayden

Howdy Everyone.

As some of you know, Terri and I will be going to Scotland for the months of June and July. In some ways this could be called a sabbatical, a Sabbath for a pastor. In many churches these days, it is common place for a pastor to take a sabbatical after 7 years of service (keep this in mind Pastor Ben). It is an opportunity for renewal, new experiences and exposures (a pastor friend of mine just took 3 months to study boat building, a childhood dream from which he gained many spiritual insights), and a chance to see the bigness of God and God's work beyond the local church. Terri and I want to thank PCJH for allowing us this opportunity.

So, what will we be doing? Here is a list:

- . Having fun. Our flight to Scotland takes us through Paris, France. We will have a 5 day stop-over and celebrate our 10th anniversary, a month and a half early, exploring this wonderful city and especially seeing some magnificent works of art.

- . We will then travel to Scotland, the home of my mother's side of the family. The first two weeks we will be traveling in the Highlands, especially Inverness and Skye, the center of the Mackintosh Clan.

- . We will be spending some time with Rev. Dr. Steve Shive, Wyoming's General Presbytery, as he leads a tour on the Northwest side of Scotland and examines Celtic spirituality. We will connect with his tour as they go to Iona where St. Columba brought Christianity to Scotland.

- . We will then move to Dunbar, a town located 30 miles East of Edinburgh on the North Sea, and exchange pulpits with the Rev. Gordon Stevenson. During this exchange, Rev. Stevenson will be staying in the Hayden's home in Jackson and will preach June 30, July 7, 14, and 21. (You can read his introduction and see family photos elsewhere in the Pinnacle.) He will also be teaching the

9 AM Adult Education class, be in the office on Monday and Tuesday, and teach the noon Tuesday class. Everyone is welcome at all the classes.

I understand from Gordon that he and the family would love to get to know you and do some things with you. He would love to discover your heart for God and why you love PCJH. The family would also like to explore Jackson through the eyes of those who love it. If you have something you might like to do with them, let the office know and we will make a list. I have also shared with him that he has the freedom to say, "Thanks but no thanks, our family needs some time alone."

In like fashion, Terri and I will be spending time in the Dunbar Parish Church (Google it). I will be preaching June 30 through July 28, doing some pastoral visiting, and Bible teaching. We will also have time to explore the "Lowlands," golf, and maybe fish. We have discovered a couple Jackson families with Dunbar connections and will spend some time with those folks while there.

- . I will be attending a conference of The International Society of Biblical Literature in St. Andrews. This is an group of scholars who do biblical research during the course of the year, write and submit papers, and then get together for presentations and discussions. I am excited to get new insights, listen to contemporary research and discoveries, and hangout with and make some new academic friends.

- . Finally, Terri and I have in the back of our minds that there may be a few of you who would like to take a trip to the United Kingdom to explore its history and its faith. Terri will be looking into some of those possibilities during our stay and seeing what resources might be available for such a trip. May or June 2014 is our projected date. Let us know if you might be interested.

We look forward to our return and sharing what we have learned and experienced.

Associate Pastor Ben Pascal

Dear PCJH Family,

Secular Movie: Sacred Message During the month of June, on Sundays June 9th, 16th, and 23rd, I will be preaching a sermon series entitled Secular Movie: Sacred Message. Similar to our theme last summer with secular music, we will take a look at popular secular movies in order to discover the biblical truths within. It is good for us to learn how to reflect on films and faith since movies are the most prominent form of storytelling in the 21st century. It is a great opportunity to engage Christ with culture and invite friends to church.

Every week we will have a public screening of each film on the Wednesday preceding the Sunday sermon. For example, on Wednesday, June 5th, we will show the film *Flight* at 7:00pm in the Genesis room immediately following our Fellowship Dinner. I think we may even be serving popcorn!! There will also be time for reflection and discussion after the film. I will then preach a sermon using illustrations from *Flight* on Sunday, June 9th. I hope you take advantage of this great sermon series and watch the films along with reading the Scriptures we will be studying together.

Holy Land Reflections

During the month of June I will be leading our 9:00am adult education hour by sharing my reflections on my recent Holy Land trip. Here's an outline of what I will be sharing...

- ¥ June 2nd - Slideshow of my trip
- ¥ June 9th - Reflections from Scripture
- ¥ June 16th - Video on the history of the Christian response to the Palestinian/Israeli conflict
- ¥ June 23rd - Biblical reflection on the Palestinian/Israeli conflict and the Christian response

I will also be teaching an identical class on Wednesdays at 5:15pm in case Wednesdays work better for you or you happen to miss a Sunday class.

Staff Changes in CYF Ministries It is with great excitement that I would like to introduce Ricky Emlyn, our new CYF Director of Discipleship!! As you read through this month's Pinnacle you will find a picture of Ricky and

his family, in addition to more information about him, his experience, and his call to PCJH. We are absolutely thrilled to have Ricky on board starting July 1st.

As you will also read in this month's Pinnacle, Cindy Zabriskie's last day as our Children's Ministry Coordinator will be June 2nd. She has done such a tremendous job leading our children's ministry. Please be sure to give her a big hug and 'thank you' the next time you see her. I have personally been blessed by Cindy's strong faith and love for our children. Thank you Cindy! Please keep her in prayer as she begins an exciting new chapter in her life. We have absolutely been blessed to have Cindy on staff for five years and we wish her the best.

As many of you already know, this summer is a summer of transition for our CYF staff as Cindy Zabriskie and Preston Gordon move on to what God has next for them, and as we welcome Ricky Emlyn as our new CYF Director of Discipleship. Preston's last day as our Youth and Young Adult Coordinator will be July 31st. Cindy and Preston have laid a great foundation for Ricky as he builds on the wonderful programs that Cindy and Preston have developed. Please keep CYF in your prayers this summer as we make this transition. If you have any questions about what is going on, please don't hesitate to contact me. Everyone who has been involved in this transition can all attest to the fact that this has been a 'God thing' and we are extremely excited to see how the Lord continues to be faithful to PCJH and CYF in the years to come.

Friends, let us not love with words or tongue but with actions and in truth. -1 John 3:18

Faithfully, ~Pastor Ben

Children, Youth & Family Newsletter

Welcome Summer!

Children, Youth & Family Newsletter

June 2013

Greetings To My PCJH Extended Family,

What a wonderful time I have had! About 9 months ago I felt a restless feeling in my soul about the Children's Ministry. I realized that it was time to let go and let someone else take over, to take the ministry to a new level. I spoke with Pastor Ben about this and he had a similar vision about the ministry. After some prayerful and thoughtful discussion we agreed that this was a 'God thing'. Fast forward 9 months and PCJH has a new Director of Discipleship that will begin in July! I never thought I could take a job working with children, but the gentle nudging from my co-worker and friend Lynn Sherwood assured me that I would be greatly blessed by trying. And so I did, and 5 years later, she was right! I have grown spiritually and have been blessed in ways that I am not sure I fully realize yet. By showing up for God, he has been faithful and blessed the children and families in the congregation and the faithful leaders, who show up on Sundays to guide and teach the children in the ways of the Lord. Pastor Paul and Pastor Ben and the entire staff at PCJH work very hard behind the scenes and they deserve my applause! I will still be attending PCJH and I hope to keep volunteering. God has allowed this short, sweet time in my life for a reason and I am looking forward to the new opportunities in my life. A special thanks to the children, whom I have grown to love so much.

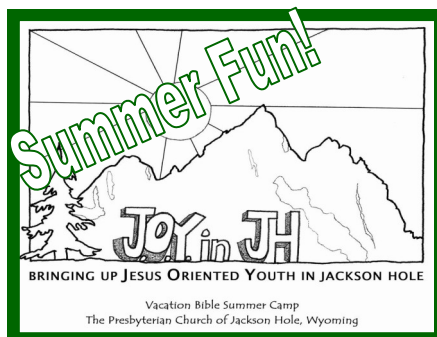

Blessings ~ Cindy Zabriskie

Little Lambs

Little Lambs summer break began on June 7th, and while we were so sad to see our Pre K friends off, we are so proud of them and know they will do well in Kindergarten. What a fun year we had, and we commemorated the school year at our May 30th Graduation/End of Year program. The kids always do such a nice job singing and dancing to their songs, and thank you Pastor Ben for accompanying them on guitar. As we settle into warm weather, we look ahead to the 2013-2014 school year with anticipation. We still have space available for toddlers and our M/W/F preschool class. Please contact me with inquiries.

Happy Summer Everyone!

Mid Week Rendezvous

What a great year we had at the Mid Week Rendezvous!

Elementary and Middle School students alike enjoyed our weekly afternoons together. We made lasting friendships and positive connections over the course of the

school year and look forward to our time together again in the fall! Thanks to all of the awesome kids who participated and a *special thanks* to Miss Renee and Miss Katie!! Blessings and Cheer to You All! ~ Mrs. Cindy

CYF Director of Discipleship

It is with great excitement that I would like to introduce the new CYF Director of Discipleship, Ricky Emlyn!! It was a unanimous decision among the search committee and the staff. We offered him the job after a full weekend of interviews, and he accepted. Ricky is married to his wife, Jodi, and they have two beautiful children, Brynn (4yrs) and Bear (2yrs).

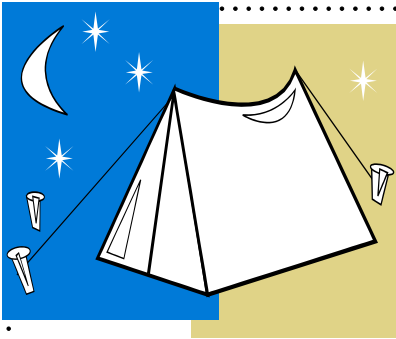

Our search process began over seven months ago and we had over 30 applicants. After reviewing many resumes, extensive written questions and conducting many phone interviews, we narrowed the search down to five top candidates who we then called on Skype. After several weeks of prayer and discernment, we decided to invite Ricky and Jodi out for an in-person interview. The rest is history.

Ricky is from a small town in the Northern Canadian Rockies. He grew up in a broken and unchurched home and gave his life to the Lord when he was in his early twenties. As a new Christian, he attended Trinity Western University in Vancouver, B.C. where he minored in biblical studies. He then moved to Los Angeles where he attended Fuller Theological Seminary's School of Intercultural Studies (where Pastor Paul & Ben attended seminary). He was a Youth Pastor for three years in San Dimas, CA. He then began a career with Youth with a Mission (YWAM), one of the largest mission agencies in the world. He has been working for YWAM for the last 12 years. During his time at YWAM he worked his way up the ladder and is currently the International Outreach and Staff Development Director and is in charge of discipleship training of emerging leaders within YWAM. During his last decade with YWAM, Ricky has traveled to over 50 countries working with children and youth and young adults. He is a strategic leader and dedicated to our Lord. As you will see when you meet him, he is full of energy and life and has the unique ability to empower and lead volunteers and interns in the job that is before him at PCJH.

Ricky and Jodi currently live in Colorado Springs and have always wanted to live in the mountains (they actually lived near Cody, WY for a brief period while leading a discipleship training school for YWAM). They have sensed God's call to move from international mission to local church-based ministry with the distinct vision to develop disciples in the home and family. Their vision for ministry aligns with PCJH's mission to partner home and congregation as we gather, grow and go.

Ricky is also an avid outdoors man and horse trainer. As a horse trainer, he has learned much about discipleship and is able to take his skill with horses and apply them to ministry. The Emlyns plan on moving to Jackson in June and start work at PCJH on July 1st.

Praise God from whom all blessings flow!!
Pastor Ben

4th ANNUAL ALL CHURCH CAMPING TRIP is scheduled for July 19th-21st at Colter Bay Campground. Feel free to camp for the entire time; come up and join us for a day of fellowship; or call now to reserve a Cabin at Colter Bay. If you have thought about joining us before, but have not - do not miss this opportunity to celebrate God and each other in His glorious creation. Pastor Ben will be leading us in worship on Sunday morning and offering the opportunity for baptisms in Jackson Lake. If you would like to be part of the church planning committee please contact Pastor Ben at bpascal@pcjh.org or Cindy Dahlin at cindydahlin@hotmail.com.

2013 Home Furnishings Sale — A Great Success

Through the extraordinary generosity of a number of families and the concerted efforts of 40 dedicated volunteers, the Church netted over \$18,000 at the fourth annual Home Furnishings Sale, held in the Fellowship Hall on Saturday, May 18th.

Thanks to efforts of Pamela Stockton, we received all the furniture and antiques from a large estate. Janice Murphy helped us acquire sleeper sofas and upholstered chairs from The Snake River Lodge & Spa. Karen Terra was instrumental in arranging for furnishings donated by the seller of a home. We had numerous other furniture/furnishings donors, too. Thanks to them all!

Thanks to a suggestion from Suzanne Young, we held a "sale preview" for the first time on Friday night from 5:30 to 6:30pm. The event drew over 100 people, and resulted in many of them returning early on Saturday morning to buy the items they had identified.

On Saturday morning, the Church Fellowship Hall looked very full and drew a crowd of nearly 500 shoppers. Sales activity was fast and furious when the doors opened at 9am. Most all the items were sold within the first 2 hours—over half the items in the first 15 minutes.

John Shipman located an estate auctioneer who came on Saturday afternoon to take the remaining large items we had not sold. When the auction is held later this year, the Church will receive 50% of the proceeds.

A team of 40 volunteers moved the furniture and other sale items into the Fellowship Hall, arranged them for ease of sale, assisted in the sale process, collected the money, moved items into the buyers' vehicles, and cleaned up the Church after the event.

Overall, the event was a great success. Thanks to all who volunteered, donated goods for the sale, and purchased the items to make this fourth annual event so memorable.

A very special thanks to Garth and Christie Gillespie of Sotheby's International Realty for the use of their community truck and to Habitat for Humanity for the use of their Restore truck.

Please forgive us if we failed to include anyone in our list of volunteers and donors.

How about future home furnishings sales? We'd love them! Please contact Ed Cheramy at 739-2157.

Stevenson Family May 2013 Gordon and Gail

The Rev. Gordon Stevenson was born 3rd of 5 brothers to Neil, a Motor (auto) Engineer who later ran his own garages and of May the devoted mother. He left school with Engineering in his blood, going into Electrical, Electronic Controls. After adding some qualifications he became a Project Engineer for one of the world's largest Paper manufacturers. After 18 years there he answered God's call to full time ministry.

At the age of 15 I gave my life to God after a weekend of evangelism and mission in my home Church and I have never looked back since. I then started giving back to the Church. Presi-

dent of the Youth Fellowship, Bible Class leader, Boy's Brigade (BB) Officer and Leader of many Church Missions. For many years. I was working full time in the secular world and part time for God. He gave me the choice, comfort or adventure; the rest is history.

Gail Stevenson is the capable woman (Proverbs 31) usually hiding behind him. Gail's father was an elder, carpenter and BB Leader working alongside Gordon, and Gail was often around Church, at Christian youth events and sometimes at BB events. She is a veterinary surgeon (animals), however, when Gordon began full time ministry she gave up her job to relocate with him and is full time housewife and volunteer worker in the local primary school as well as the Churches Toddler Group.

Our children are Eilidh 14, Anna, 13, Joshua 11 and Jared almost 8. The middle 2 play the violin and the other 2 piano. The older 3 play Badminton and they all do gymnastics and various other sporty things. Above all they enjoy the many Christian Groups which they are able to attend locally.

The girls became Christians a couple of years ago in a few months period where our church enjoyed 12 new converts. (Praise God)

Dunbar Parish Church has stood on the same prominent location for almost 1000 years. The current building is about 300 years old, but internally it is very modern. A fire decimated it 25 years ago and we have recently created a number of additional rooms which includes an elevator to 2 new floors.

When we arrived here the Church had seen 7 straight decades of decline, and the authorities were planning in reducing its ministry allocation by almost half.

God's hand has turned things around and the magnitude of improvements is palpable, **but** we still have a long way to go. We are however, no longer under threat of reduced allocation and are now probably the 3rd least likely to face that in our Presbytery.

We are hugely excited at the prospect of meeting brothers and sisters in Christ and being in fellowship with you all.

If you teach us some American, we will teach you some Scottish!

See you all soon - Blessings from Scotland

DEACON OF THE MONTH DONNA BARRETT

My name is Donna Barrett and I am your Deacon on the Month. I am here for you if your deacon is out of town. I have been a deacon for a year and half and it has taught me so much about myself, as well as the heart of Jesus. Jesus knew about sacrifice. He was the ultimate sacrifice. In April 2013, my husband had surgery. The same week he had surgery, I had two people in my flock who were in need. My daughter was out of preschool for spring break, work was intensely busy and I was being the caretaker of my husband. My first reaction was, I can't do this. Guess what, I couldn't. I stopped and fixed my eyes on Jesus who was so wise about not reacting and simply taking things one step at a time. I stopped and practiced this example. Instead of focusing on my wants, I focused on needs. I prayed, took care of myself and my family. God was so faithful about giving me the strength and time to care for the needs of two families in my flock. I am grateful I am learning valuable life lessons as I get the opportunity to serve.

Got ROOM?

Please consider hosting a PCJH intern

We are currently looking for an individual or family to host a phenomenal young man who will be joining our PCJH staff as an intern for the 2013-2014 academic year. Jordan Shive just graduated with a degree in music from Jamestown College in North Dakota. Jordan is a very mature young man with a deep faith and loving presence. Jordan's father, Steve Shive, just so happens to be the General Presbyter of the Presbytery of Wyoming. We are extremely lucky to have Jordan with us next year. We are looking for a host family for Jordan while he works at PCJH from August 26th, 2013 to June 30th, 2014. Host families can host an intern for 3 months or more. Whoever hosts Jordan is sure to be blessed, as well as be a blessing to him. Thanks for prayerfully considering this opportunity to support the mission and ministry of PCJH. Check out the following testimony from Frank and Judy Scarborough. The Scarborough's have hosted Preston Gordon for two years and they want to share their testimony with you in hopes that you might consider being a host family for Jordan.

Host Family Testimony from Frank & Judy Scarborough

"We can say without reservation that being a Host Family for PCJH has been a completely satisfying experience. By providing housing for interns, Host Families help financially. Without the expensive Jackson housing cost PCJH can more readily afford bright young interns to help in the ministry. In our case, we were gone much of the time and the intern was able to provide us the comfort of having someone live in our house while we were gone, a win-win situation. Importantly Host Families have an opportunity to establish a relationship with the intern that can benefit both parties. Being around young people with their fresh perspectives is a growth experience for the Host. The interns have an opportunity to expand their views beyond their immediate family by sharing life experiences with the Host. Again a win-win opportunity. Whether you are a full timer or a part time Jackson resident we would encourage you to become a Host Family for PCJH.

~Frank and Judy Scarborough

A Word for Worship

Did you ever wonder what the different liturgical colors of the church seasons mean? Most recently we have had a **white** drape around the cross. **White** is used for the special days in the redemptive work of Jesus Christ such as Christmas and Easter. The **purple** drape hung prior to Easter Sunday to mark the seasons of penitence and preparation, lent and advent. Most recently for one Sunday the **red** drape was used for the color to mark Pentecost. **Green** is used at other times to represent spiritual growth.

Come let us worship the Lord.

ADDRESS SERVICE REQUESTED

The Mission of The Presbyterian Church of Jackson Hole is

Passing on the Faith

as we Gather to love God;

GROW to know and follow Jesus; and

GO and make a difference.

*All are welcome and all are needed as we advance this significant mission for the
21st Century.*
