# The Pinnacle

*Not your Ordinary Newsletter. . . Not Your Ordinary Church*

**Mission: Local, National and International:** On Sunday, May 29th, the congregation heard from several groups about important work we as a church family are doing locally with our Wednesday Night Ministry Team, internationally from our Guatemala Mission Teams (see special insert in this issue of the Pinnacle Newsletter) and nationally regarding the work of James Hayden on the inner city streets of Chicago.

## Stewardship Team Commits to Paying Off Debt for Church Expansion

Many new programs were made possible in the newly expanded spaces at PCJH, including:

- Little Lambs Preschool
- Adult education classrooms for bible studies
- J.O.Y. University Summer Camp
- Genesis multi-purpose room for Contemporary Worship for young adults and others
- Open Groups and Covenant classroom space for men's and women's Christian discussion groups
- Youth Lounge
- Commercial Kitchen
- Fellowship Hall for activities for all ages, including Easter brunches, Wednesday night Fellowship Dinners, Upward Basketball program, Date Nights, Bingo/potlucks
- Dahlquist Chapel for intimate worship, weddings and funeral services
- Audio/Visual systems in renovated sanctuary
- New Steinway Grand Piano
- Children's and Youth study areas for Sunday School and After School Programs
- and more!

Our local outreach efforts include the Upward Basketball program hosted in the church Fellowship Hall. Deanna Fox, Jeff Zender and Upward Basketball athletes spending time in worship and prayer before the start of a game. Photo from 2009, courtesy of McKenna Brinton.

## Debt Payoff Campaign – Public Phase

### We Built It – We Use It – Now It’s Time to Finish Paying for It.

We moved into our original Church building in September, 2000. By 2005, it became obvious to all of us that more space was required: more classrooms for children, youth and adults, a fully functional Fellowship Hall, a dedicated Sanctuary in which we didn’t have to move chairs each week, an expanded commercial kitchen and maybe even a Chapel for quiet contemplation and prayer.

With the enthusiastic support of the congregation, we undertook to significantly expand our facilities.

These pictures depict some of the many activities now being carried out using our expanded building. Construction began in 2006 and we moved in to the additional space in May, 2008.

All told, the new expansion cost a total of \$4.8 million dollars. Through initial pledges in this Building Expansion Campaign and cash contributions we raised \$3.0 million by the end of 2009. The additional funds came from borrowed money, a Christian based private foundation (\$700,000, no interest) and the Bank of Jackson Hole (varying amounts under a \$1.5 million line of credit). We also utilized our accumulated cash reserves of \$400,000.

We always anticipated a second “capital campaign” to pay off the outstanding debt. Our plan was to announce the commencement of the campaign when the original pledges were fully received in 2009. But because of the very adverse economic times that we found ourselves in, we decided to postpone the campaign for at least a year.

In the spring of 2010, we began the campaign with a “quiet phase.” Over the next several months members of the Stewardship Team met with several families in the church who had participated in the Building Expansion Campaign. To date we have received 20 pledges totaling \$919,000. These pledge payments are for 2010 through 2016.

In addition, in the spring and summer of 2010 we set out to payoff our Bank loan which was costing us annual interest of 6%. Several generous families within the church membership have loaned us a total of \$650,000 with a combined annual interest rate of under 1.5%.

At May 31, 2011 the Church’s debt relating to the Building Expansion is as follows:

Promissory Notes to families of the Church membership	\$ 650,000
Loan payable to a Christian based private foundation	\$ 400,000
Payable to PCJH General Fund for cash reserves	<u>\$ 405,000</u>
Total	<u><u>\$1,455,000</u></u>

This is the amount of money we plan to raise during our Debt Payoff Campaign.

The “Public Phase” of our campaign, when we ask everyone in the congregation to participate, will begin on Sunday, June 19<sup>th</sup> – at both services.

The Debt Payoff Campaign will begin with a short video presentation on how the new facilities are being fully utilized each week.

In addition, we will ask each family to prayerfully consider making a pledge to the campaign. Pledge forms will be included in the bulletin that Sunday.

Members of the Stewardship Team are anxious to speak with anyone who has questions about the Debt Payoff Campaign, how they can participate, how to pledge etc. We encourage anyone who is interested in further discussions to contact us directly: Ed Cheramy, ed@mailjh.com, 739-2157; Joe Amdor, amdor@msn.com, 203-2139; Bob Kopp, bkopp@waldenasset.com, 203-2329; Bob Lewis, robertbeeLewis@gmail.com, 208-351-1426; Bobbi Thomsma, kentthomsma@blissnet.com, 733-4593; Paul Hayden, phayden@pcjh.org, 734-0388, ext. 101; Becky Kimmel, bkimmel@pcjh.org, 734-0388, ext. 113

## Welcome Intern Allison Stewart

We are embarking on a new and exciting ministry in the life of PCJH by providing two post-college internships. The vision behind the internship program is to call, equip and empower new leaders in the Christian Church. I was an intern at PCJH ten years ago and it played a significant role in my decision to go into pastoral ministry. Whether interns go on to become pastors or leaders in business, medicine, education, law, etc., the goal of the PCJH intern program is to raise up leaders and launch them out into the world in Christ's name. How do we do that? We create an experience for our interns to 1) explore their gifts for ministry, 2) develop a healthy work ethic, 3) learn the art of empowering others, and 4) strengthen their spiritual life. Those are the four main tenets that guide us as we minister to our interns and as we allow them to minister to us and our community.

What will the interns do? They will be working full-time with our J.O.Y. Summer Camp during the summer months. During the academic year they will play an integral part in our Children, Youth and Family Ministries by assisting our staff with our numerous programs and events for children, youth and young adults. They will also spend time in Christian study, guided by Pastor Ben. The interns are responsible for developing a team of family and friends who are praying for them and helping them fund a portion of their ministry at PCJH. It is a demanding full-time job with high expectations.

I am pleased to introduce to you, our first post-college intern, Allison Stewart. She brings a lot of life, humor, theological depth and a contagious love for children, families and the outdoors! Allison arrives in Jackson on Saturday, June 11<sup>th</sup>. I am very grateful for our PCJH members, Matthew and Asheley Lee, who have agreed to be Allison's host family for the duration of her 15 months with us. Thank you Lee family!

I am confident that PCJH will bless and form Allison as she pursues a life of ministry. In return we will be blessed by Allison as she exercises her gifts and passions in ministry with our children, youth and families.

Faithfully, ~Pastor Ben

Hi, my name is Allison Stewart. I grew up at Lake Cushman on the Olympic Peninsula and I have a great joy for the outdoors. While striving to defy my rather unfortunate lack of athletic talent, I can be found hiking, camping, backpacking and partaking in other random adventures. I also love music and going to concerts, whether it's to see a hardcore metal band or to hear the opera. Recently I have also gotten into car mechanics and learning about how to make them go faster.

I have been brought up going to a Lutheran church but am very excited to now test out the Presbyterian waters! During the summer of 2009 I spent the summer working in Big Piney, WY working for the Forest Service. So, I am no stranger to Wyoming but I will still be a newbie to Jackson.

The past three years of my life have been spent attending Seattle Pacific University and working part time at Fred Hutchinson Cancer Research Center. This June I will be receiving my B.A. in Christian Theology. After being a part of PCJH for 15 months, I hope to go on to Seminary.

I am very excited to get to know all of you and spend time building Christian community. I never thought I would be so lucky to live in Wyoming again, and I can't wait to share it with my new church family!

## ONE GREAT HOUR OF SHARING

We once again thank our generous congregation for your offering to the OGHS. We were able to send \$958 to our Presbyterian Church (USA) "headquarters" for the work of the church, serving people in need at home and abroad! Specifically, 36% is received by Presbyterian Disaster Assistance, while Self-Development of People and the Presbyterian Hunger Program each receive 32%!

THANK YOU ALL!!

## Sunday, June 12th after the 10:10am service

Ned and Amanda Pinkerton are moving onto their next great adventure in life and having to leave their PCJH Family. There will be a reception for them in the church lobby after the service and a basket for your notes and cards to them.

We have been so blessed by having them in leadership and friendship in our church for so many years. Ned and Amanda: Your gifts will be so missed, but our love remains with you always.

Come celebrate them and all they have given to us.

SUNDAY, JUNE 12th, in the Lobby, after both services, there will be an opportunity to learn more and signup for our Couples and Singles Monthly Dinner Fellowship Groups. This is a wonderful opportunity to build friendships with other congregational members and attenders.

Contact information is now on-line:

## Planned Giving...Passing on the Faith... For generations to come!

As members of the Presbyterian Church of Jackson Hole, we are familiar with the gifts we give to the church through our weekly offering or to special appeals. We pledge these gifts on an annual basis and give such gifts from our current income.

We may be less familiar with the many ways we can give to the church from our accumulated assets. This form of giving has come to be called "Planned Giving." As the name suggests, planned giving involves planning - *financial* planning so as to take advantage of the various tax benefits; and, more importantly, *faith-motivated* planning which ties our faith and giving together to ensure that our gifts will make a lasting difference in the areas of ministry nearest our heart.

The good news of planned giving is that there are ways that we can share our assets with the church to enhance its life and mission far into the future. Our planned gifts can provide additional funds for new ministries that would not be possible if the church depended solely on annual budget giving or other forms of fundraising.

God has continually challenged our congregation to consider the question, "Who are we here for?" Our answer to that question is clear. We are here for those outside our walls, for those who do not yet know God's love, for those who are hurting, for those who are experiencing hard times. We are here for those who are lost, and those whom we do not yet know.

As a church, we have taken steps of faith to demonstrate a strong commitment to our church family, our community and other parts of the world. Our ministries for children, youth and adults are thriving. We enjoy God's presence in our worship. The church is growing and vital with a meaningful vision for the future.

An outright gift to the Presbyterian Church of Jackson Hole will allow the church to meet its immediate needs. You may however prefer to make your gift through your estate. Whichever way you choose to give, your gifts can help ensure the mission of the Presbyterian Church of Jackson Hole far into the future.

As you consider your plans for the future, please consider including PCJH in these plans.

**Ministries Your Planned Gift Can Benefit:** Children, youth, college and adult ministries; Global and community missions; Worship- including music and other expressions of faith.; Major facilities and capital equipment

**Outright gifts:** Cash, securities, real estate, insurance policies, retirement plans, or other items of value; Bequests; Assets left to the church in your will or living trusts

**Endowment Gift** A general designated gift to our endowment that provides a long-term income stream for our ministries

**Life Income Plans** Charitable trusts may provide tax benefits, an income stream to the donor, and a remainder gift to the church

**Other Plans** Are also available to meet the individual needs of each donor

If you would like more information or to donate a gift via your "Last Will and Testament" or through a "Charitable Remainder Trust (CRT)", then please contact the Stewardship Team through the Church office.

## *Pentecost*

Pentecost is celebrated seven weeks (50 days) after Easter Sunday, hence its name. Pentecost falls on the tenth day after Ascension Thursday. Pentecost is historically and symbolically related to the Jewish harvest festival of Shavuot, which commemorates God giving the Ten Commandments at Mount Sinai fifty days after the Exodus. Among Christians, Pentecost commemorates the descent of the Holy Spirit upon the Apostles and other followers of Jesus as described in the New Testament Acts of the Apostles 2:31 during these Jewish "fiftieth day" celebrations in Jerusalem. For this reason,

*Pentecost is sometimes described as the  
"Birthday of the Church".*

The biblical narrative of Pentecost is given in the second chapter of the Book of Acts. As recounted in Acts 2:1-4: The apostles received the Holy Spirit and were miraculously enabled to go out into Jerusalem prophesying and speaking in languages that all the visitors to Jerusalem could understand as told further in Acts 2:4-12.

## Who is the Holy Spirit ?

Lucy ~ Waterfalls and Jesus

Brady ~ Jesus and Pentecost and wind.

Bodie ~ Beehives and flies.

Atticus ~ Mother Nature.

Blake ~ Flowers, bumblebees and frogs.

Brynn ~ Wind from Jesus.

Vega ~ God and Jesus.

Betzabed ~ God loving Jesus.

Emily & Scarlet ~ God and garden flowers, butterflies & bees.

Greetings to Everyone! Get those sunglasses out the sun is just around the corner!! As summer blooms around this year I pray that we can all be in high spirits and love each other with our whole heart. The teachers have been busy loving each Little Lamb as the last day of school is approaching.

*We will be having a Graduation Celebration on Thursday, June 9<sup>th</sup> at 5:30!*

We will be singing, dancing, and eating lots of yummy food. Please join us in the sanctuary for this fun night! May has always been an exciting month at Little Lambs, our kiddos get a little antsy and they have so much confidence in all their abilities. Many kids have been learning to ride without their training wheels and others can now pump their legs to get the swing going on the playground. Our Little Bitty ones are finishing up potty training and our three year old class is anticipating being the biggest kids at Little Lambs next year. We have some really neat caterpillars that are getting ready to make a chrysalis, as June arrives we will release these beautiful creatures and let them explore the mountains of Jackson Hole. God has blessed us with so many wonderful creatures, we have been learning about bees, butterflies, centipedes and with all this rain, comes lots of worms and lots of muddy handprints. Little Lambs is so much fun!! We are thrilled to have this great facility and all these great families together learning about God's word!

## How Technology Is Affecting Our Families

On Sunday, June 12th at the 9:00am hour we will be having an informative class about technology for parent's and anyone who is interested in attending. We will be talking about ways for families to use technology safely and in healthy doses. The class will also cover social media networks such as Facebook, Twitter, texting and Instant Messenger programs (yahoo, AIM, MSN and Skype). We will learn about safety and how we can keep an eye on what our children are doing online. We will also be giving you multiple resources to better inform you on technology and how you can protect your children and yourself on the internet and social media networks. We would love you to join us for this class!

## JUNE DEACON 2011

Wyoming has been my home, since 1988.  
And moving from Ohio, I could hardly wait.

I have two sons, who love the West,  
They live in Colorado, and think it's the best.

I still have family, Ohio bound,  
My mother, 97, brother, sister are found.

Jason, my race car driver son,  
Keeps me awake, and makes my heart run.

Trevor, Becky, and Quinten, their son,  
Live in Steamboat, he's grandma's #1.

Trevor, a musician, writes music and songs,  
His lyrics are special, my heart always longs.

Becky, a college professor and more,  
Is a writer and teacher, whom I adore.

Finally a Grandmother—oh what a treat,  
I waited so long and Quinten's so sweet!

As Deacons, we're here to serve our church,  
To help our flocks and do good work.

To bring love and joy, to help those in need,  
A listening ear, to plant a seed.

So let us help, whatever it be,  
With God and prayers, He'll help us see.

Blessings and Love, Cleo Eshelman

## When Helping Hurts

9:00am Sunday School Class with Pastor Ben  
June 5<sup>th</sup>, 12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup>

This class is for anyone interested in helping people. Are you a Christian who cares for others and wants to help? Are you involved in an organization that aims to help people? Are you involved with Wednesday Night Dinners? Have you been on a short-term mission trip or would you like to go in the future? Do you give money to an organization that helps people? Are you a Deacon, an Elder, or a Stephen Minister? If you identify with any of the above, come to this class. If you are someone with a heart for local, national or international mission work, this class should be mandatory for you.

Churches and individual Christians typically have faulty assumptions about the causes of poverty, resulting in strategies that do considerable harm to poor people as well as to themselves. *When Helping Hurts* is a book by Steve Corbett and Brian Fikkert of the Chalmers Center for Economic Development that directly addresses these assumptions.

*When Helping Hurts* begins by establishing a solid biblical foundation for understanding the nature of poverty and its alleviation. The book provides foundational concepts and clear principles for helping the poor without hurting them. It then presents proven interventions and relevant applications for churches to use when ministering to the poor both at home and abroad.

If you are interested in this class, I recommend you purchase *When Helping Hurts* to accompany you while taking the class. See you on Sunday, June 5<sup>th</sup> at 9:00am! ~Pastor Ben
