Howdy Everyone.

As we begin this September Season I am reminded and grateful for the many folks who have joined in reading through the Bible during this year. We are 66% through our journey. If you haven't been reading along it is never too late to start. We will be continuing to tackle the tough questions on Sunday mornings at 9 AM and for the newcomers we will resurrect our Bible introduction on Wednesday nights at 5:15 beginning September 14.

Why read the Bible? Some have said the Bible is the most purchased and least read book in the world. I don't know the statistics but my guess is the statement may be true. Those who claim the name Christian approach the Bible from a wide variety of ways: total literalism; allegory and metaphor; nice historic insights; a book of religious compilations; stories that have been passed on generation to generation similar to Aesop's Fables; etc. So, why read the Bible?

*It places in context the life of and the reason for Jesus as our savior and Lord.* The Bible presents "The History of Salvation" as the German scholars of the 19<sup>th</sup> century called it. People fell out of intimacy with God in the Garden of Eden. Humpty-Dumpty needed to be put back together again and the Bible reveals how.

*It passes on to us the core values of our faith.* From God's purposes for the world from creation to the godly code of conduct called the 10 Commandments to salvation by grace not works the Bible teaches us the core values by which we should live.

*It gives us wisdom learned by previous generations to help us live in our present situation.* I am reminded of the theme of Proverbs: "The fear (awe and respect) of the Lord is the beginning of wisdom..." and "blessed is the nation whose God is the Lord" and "Love God with all your heart...and love your neighbor..."

*It is the primary written tool through which Holy Spirit*

*shapes and molds us into the type of people God wants us to be.* 2 Timothy 3:16,17 says God's inspired word is profitable for teaching, reproof, correction, and training so we can be equipped for every good work.

*It provides a common source by which we can share our spiritual journeys.* Agree or disagree with one another, the Bible provides a common source by which we can talk about and share our spiritual lives.

So how do we start? As in most areas of life, it takes a while to get up to speed. We have a young friend who is in the process of becoming a bank teller. She is going through 80 hours of training to learn the language and the procedures. Why do we expect this in business but not in our faith? *It will take time. Commit to it.* Every long journey begins with a single step.

*Get involved in a Bible study.* Most journeys are more fun when we have traveling companions.

Don't be afraid to *ask questions.* Often the question you are brave enough to ask is a question others are wanting to ask.

*Make it a regular part of your week.* Like learning any new thing, repetition and regularity are important. I am not a good golfer. Why? I only play a few times a year. I could get better but I am not able (let me translate this more accurate: I am unwilling) to put the time in to change this fact.

This month we begin our church program year. There will be many opportunities to grow deeper in the faith we want to pass on. Make a commitment and jump into the process. You will not be sorry. God's Word will become for you "A lamp unto your feet and a light for your path" (Psalm 119:105)

On the Journey with you,

Pastor Paul

**Dear PCJH Family,**

I hope you have had a wonderful summer filled with many outdoor adventures and time with family, friends, and God. I am looking forward to our Fall line-up of opportunities to engage our faith in Christ. I would like to highlight a few possibilities...

### **The Prodigal God: Six-Week Class**

I will be facilitating a six-week class based on Tim Keller's best-selling book, *The Prodigal God*. Keller is a Presbyterian pastor who founded one of the largest and most influential Presbyterian churches of our day in downtown New York City. He is a best-selling author and one of our nation's most prominent preachers. We will be taking a deeper look at one of Jesus' most well-known parables. This class will be beneficial to seekers, new believers, and people who have been walking with the Lord for years and even decades. I hope you will join me in this potentially life-transforming class. I promise it will encourage you, challenge you, and stretch your faith. Please welcome your friends and co-workers. I will offer the class both on Sundays at 9:00am (starting September 11<sup>th</sup>) and Wednesdays at 5:15pm (starting September 14<sup>th</sup>)... come on whatever day works best for you. Please RSVP with me so that I know how many study guides to buy.

### **Parent's Night Out – Friday September 30<sup>th</sup>**

This night is our way of ministering to parents. Whether you are a single-parent or a married couple, please come drop your kids off at the church and we'll take care of them while you enjoy a night to yourself.

We'll provide wholesome Christian activities for your children while you spend time caring for your soul, your health, and/or your marriage. If you don't have kids or no longer have young children, please volunteer to help... we need you.

### **Sunday Night Youth Group**

Starting on Sunday night, September 11<sup>th</sup> from 5:30pm to 7:30pm, we will be offering middle school and high school youth group at the same time, but in different groups. We will gather for a home-cooked meal; we will enjoy being led in worship by our new youth band; and then we will finish off the night in separate groups of middle school and high school students as we discuss issues of faith and life. We will end the night by playing fun games and activities.

### **Wednesday After-School Program**

We are resurrecting our Wednesday After-School program. Please read Cindy's article on the CYF page for more details. This is a great opportunity for our students to have a safe and fun place to go after school, to do homework and work in our computer lab, to hang out with friends, play games, and learn ministry skills in order to bless our community and congregation.

### **Upward Basketball**

And of course... it's time for Upward Basketball!! Register now! We need coaches and volunteers.

I'm looking forward to seeing God move in and through us this Fall...

**Faithfully, ~Pastor Ben**

## POST COLLEGE INTERN JOINS PCJH

Greetings! My name is Preston Gordon, and as of August 29<sup>th</sup> I am the new intern here at PCJH. I am so excited to be out here in Jackson with the opportunity to serve the Lord through your church. Since almost all of you know nothing about me, allow me to briefly introduce myself. I am from Charlotte, North Carolina (go Tar Heels!) and have spent my last four years of life in Nashville, Tennessee at Vanderbilt University (go 'Dores!). Needless to say, I love the South – especially its delicious cuisine. If you can find sweet tea in Jackson, be sure to let me know where. I have an awesome family who raised me to love the Lord and snow skiing. I have one (recently married) brother who I've been skiing down mountains with since we were a few years old. Actually, I love most things that involve mountains and exploring them, so if you ever need someone to join you on an outdoor adventure, let me know. I've heard that you have some pretty good mountains out here...I also love my Jeep Wrangler, live music (Nashville spoiled me), traveling, and continually learning how to love people like Jesus does. Which is a key reason why I came out here to work with your church! Working with people and talking about Jesus is something that makes me feel alive and like I'm working for a greater purpose—two things I deeply desire in my work at this time in my life. I'm excited to work full-time in a church and learn what that is like, and hope that God will show me this year if pursuing full-time ministry is what he has for me. I look forward to meeting you all (seriously...I know almost no one at this point besides Ben) and becoming a part of your church family! ~Preston Gordon

The Middle School Wind River Backpackers hiked from Elkhart Park to Titcomb Basin from August 15th to 19th. Left to right...Katelyn Coleman, Shyla, Pastor Ben, Paxton Northrup, Dave Scott, Ryland Sauter, Roslyn Gwilliam, Andrew Lewis, Karen Colclough.

## Sunday School

*Begins Sept. 11th at the  
10:15 Worship Service*

Welcome Back!

We hope you had a fantastic summer break! We have been enjoying our Group Sunday School together and are excited about getting back to our regular fall classes. There will be some small changes this year to our Sunday School time together and we'll wait to let you in on those things when Sunday School begins on Sept. 11th. The biggest change will be registration. We need every family to register their children for Sunday School so that we will have current information to update our records for birthdays, mailing/email addresses and identify any food allergies and/or special needs. Please register your family by Sept. 5th! We are also looking for parents to be involved in this ministry on a rotational basis. Go on-line to register and fill out your volunteer choices at [pcjh.org](http://pcjh.org)/Get Involved/Children/Sunday School. Blessings to You! *Cindy Zabriskie*

## MID-WEEK RENDEZVOUS

Hello Again! This year we are excited to be picking the elementary kids up from school and bringing them back here to PCJH for some quality, organized fellowship time together. Our program will be from after school on Wednesdays until 6:15 pm. Parents can pick up their children and join our Fellowship Dinner which begins at 6:15pm or come earlier for adult education classes that begin at 5:15 pm. It is our intent to provide quality programming for your children after school as we strive to Gather, Grow and Go as a congregation and community of believers in Jesus Christ. This year we will be requiring registration and parental volunteer time for the program. We will also be charging a modest fee this year to offset the costs of gas, food and materials. It is our hope that by requiring a formal registration process that we will get a commitment from families to participate on a consistent weekly basis. We will be using 252 Basics curriculum by the Rethink Group. Many of the projects we will be doing will require 1 to 3 weeks to complete. We look forward to spending some rich, nourishing time together with you and your children on Wednesday's. Please go to [PCJH.org](http://PCJH.org) under Get Involved/Children/Wednesday Rendezvous for registration and fee information. Thank You for your participation and support!

Great thanks to all of the support from our church family through donations and time volunteering - we could not have done it without your help. Thank you!

# God's Little Lambs

September is full of fun at Little Lambs! We are kicking off the school year with "A Healthy Start", promoting fun, kid-friendly exercises and healthy foods.

We are going to be introducing a new bible curriculum through the Rethink Group called **First Look** for Preschoolers. The focus of this curriculum is God made me, God loves me and Jesus wants to be my friend. We all need to know *Who* our maker is, that he loves us and that He wants to be our friend; and what better way to emphasize this than to start early and get to the heart of it with our youngsters! **First Look** also features bible stories in conjunction with weekly bible verses that kids, *yes even preschoolers*, can memorize.

We love having volunteers. If you would like to volunteer for crafts, reading, science experiments or have your own fun activity you'd like to share with our Little Lambs, please contact Erin Holmes at 734-0388 ext. 111 or [eholmes@pcjh.org](mailto:eholmes@pcjh.org).

## Summer Hiking Fellowship

The hiking fellowship is coordinated each summer by Ken Blout, and if you wish to learn more, simply e-mail [bloutkr@gmail.com](mailto:bloutkr@gmail.com). The group enjoyed several great hikes in August, ending the summer season with a challenging hike to Table Mountain, via Idaho.

### 2011 Summer Sale A Great Success

The church's annual Summer Sale (formerly Rummage Sale) Saturday, August 13, continued the decade long tradition of being a great success and a wonderful outreach to our communities. The line of customers from all over the area and out of state was stretched across the parking

lot of the Fair Building to the street when this popular event opened the doors at 8am.

The sale takes five days to set up—that's a lot of sorting and pricing! It would never be possible without all the helping hands both within and outside of this church. More than 80 volunteers put in over 800 hours. It was great to see many PCJH folks getting involved for the first time this year, especially since some veterans of this event have moved away in the past year.

The sale would not be feasible without generous contributions from the congregation and the community. Thanks to Karen Ford, once again this year, for year-long use of a storage unit in Wilson. Teton Trash again donated, delivered and picked up the dumpster. Community trucks from the Gillespie Group at Sotheby's and from Habitat's Re-Store were used for hauling, along with trucks from MANY friends. The Habitat Re-Store and See 'n Save in Driggs accepted the unsold items when our sale ended. The Community Resource Center (CRC) received coats, wool socks and shoes for their clients.

We tried out some different ideas this year: added new "shops" for better clothes and finer household goods; added more clothes racks which reduced the height of clothes piled on the tables; separated the entrance and the exit; arranged merchandise tables differently, and added a "hold" area for people still shopping. According to the many positive comments from customers and volunteers, the changes resulted in easier shopping and traffic flow.

The 4-hour event grossed over \$9,200 before expenses. Donations of furniture were down this year, and we opened with lower prices on basic needs. The church Finance Team will determine use of the funds, which, in the past, has included community needs, as well as church programs.

If you contributed items and still need a receipt, please call the church office.

Again, thanks to all who helped in so many ways, as we reach out in faith and trust to serve, following the example of the world's greatest Servant.
