### Opportunities to Serve: Agros

Want to participate with the village of Tierra Nueva but unable to actually go on a service trip? There are several ways to get involved!

1. Photo Album Exchange: Send in your family photo to Addie at [addiepascal@gmail.com](mailto:addiepascal@gmail.com). These will be compiled to create an album we can give the villagers of Tierra Nueva- we already have one of the villagers with us!
2. Pray for a Family: Contact Addie at [addiepascal@gmail.com](mailto:addiepascal@gmail.com) to receive a photo of a family that you can commit to pray for.
3. Donate: The villages of Nicaragua are always in need of books and games in Spanish or English/Spanish, as well as baseball gear, musical instruments, and craft supplies. Drop items off in the bin in the lobby.
- 4: Involve your Kids: Have your kids create cards or pictures that we can give to the villagers as a greeting. If they can write in Spanish, even better!!! Thanks!~Addie

### PEACHES HELP PCJH'S COMMUNITY VISIBILITY

Thanks to the leadership of Meta Sternberg some 14 years ago, PCJH continues to have great visibility in the community for our annual peach sale.

We sell boxes of high quality peaches from a Colorado orchard (Peachfork Orchard) using a few newspaper ads and word of mouth in the community. This year we sold 500 boxes of peaches on August 1<sup>st</sup> and 400 boxes of peaches (plus 75 boxes of Gala apples) on August 15<sup>th</sup>. This resulted in about

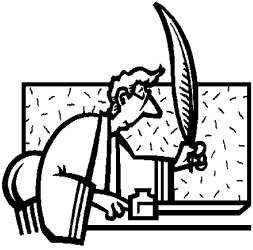

\$9,000 net proceeds to the church.

There were people lined up to buy the fruit beginning two hours in advance of the published start time of the sale. Chairs were set up in the church lobby to keep everyone cool and comfortable.

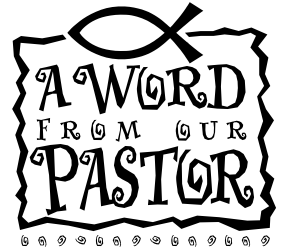

Thanks to all the PCJH volunteers who helped with the two peach sales. Your efforts helped make this annual event an outstanding success!

PCJH is looking for someone who will fill the paid position of Coordinator of His Kitchen. This coordinator will oversee the Wednesday Dinners and all other uses of the kitchen. It is on average a 15 hour per week job when our Wednesday program is up and running. Please contact Pastor Paul if you are curious or interested.

# Paul's Page

Howdy Everyone.

September is the kick-off month to our Fall Season at PCJH. As we say "good-bye" to our summer family we prepare to say "welcome back" to those who have been busy with family, business, and play during jam-packed summer months. As in all the seasons of life as a church we also need to prepare to say, "Howdy, don't know if I have met you yet, but, my name is Paul and it is great to have you at PCJH." We never know when we may meet a new friend at a worship serve, class, choir, Wednesday dinner or somewhere else who needs to experience God's love and grace as we uniquely share it.

Because September is a time when most of us look at a change in calendar, it is also a great time to evaluate how I want to continue my growth in faith. Our method at PCJH is the 3 G's, Gather, Grow, and Go. We believe every person should be involved in some capacity in each for these three areas. When operating together they create a wholistic spiritual life. Let's take a look at each one.

## GATHER

The writer of the Book of Hebrews told those early Christians:

*Let us not give up meeting together as some are in the habit of doing, but let us encourage one another - and all the more as you see the Day approaching (10:25).*

Gathering for worship and fellowship is an important part of Christian life. We were never designed to live our faith alone. Worship refocuses us on the eternal and the God and savior with whom we will share it. It is a time of renewal and empowerment at the start of a new week. It reminds us of our family of faith, those to whom we can turn to share our joy or find encouragement in times of struggle. Our society gobbles up Sunday's with recreation forgetting that we need that time for re-creation.

## GROW

This year Pastor Ben and I will be doing something a bit different. Instead of preaching from the Common Lectionary, a worship resource many mainline churches

use, we will be preaching on Biblical and Christian Life themes. As we prepare these themes we will also be writing a small group study guide to go hand in hand with the topic. We encourage each of our small groups to follow the theme in their times of meeting.

One of our primary *small group times* will take place on Wednesday evening at 7 pm. Following dinner (a great time when our whole community gathers for fellowship) we will have a time of praise and prayer and then small groups. Dinner begins at 6:15 and you can be on your way home by 8:30. It will be a great time to get to know others in the congregation as well as grow deeper in your Christian walk. Child care will be provided.

## GO

When Jesus was teaching his disciples he said to them:

*You are the salt of the earth... You are the light of the world. Matt. 5:13, 14*

In his day, salt was one of the main preservatives for food. If you didn't have it and use it, decay would quickly set in. This happens in our society if Christians are not involved in actively being Christian in our homes, jobs, civic organizations, government, etc.

There is much darkness in our world today. As our culture turns away from God who is light and Jesus who is the 'light of the world,' it is easy for people to lose their way. As we share how God has and is directing us, as we pass along God's Word and the wisdom it gives for how we are to live, light shines into darkness.

In our going we bring the love of God to our world and our world becomes a bit different because we have been here.

As you prepare for the Fall, take some time to ask yourself how you will Gather, Grow, and Go. If you are a family, make it part of your planning. Prioritize on that which prepares you for eternity and brings eternity into each day.

Walking the road with you.

Pastor Paul

**Dear PCJH Family,**

Last year my daughter, Nina, received a Children's Story Bible from PCJH. She loves it! She often stays up in her room looking through the colorful pages even after we put her to bed. She can recognize Jesus and Peter and seems to already know some of the great stories from God's word. Nina was two years old when she received her Bible. This was a milestone.

I taught a class last Spring for parents and their children who were interested in learning more about the Lord's Supper. We had about 20 people at the class on a Sunday morning as I taught about the meaning and significance of communion. At one point during the class the parents led their children through a Bible passage about the Lord's Supper. The following Sunday most of them received the body and blood of our Lord Jesus Christ for the very first time. That was a milestone.

In June, several parents of high school seniors gathered together to make a prayer blanket for their son or daughter who was about to graduate. The congregation then prayed over the blankets during our Sunday worship service when we honor our graduating seniors. These students are now taking their blankets with them to college. When they cover themselves with their blanket, our hope is that it is a reminder to them that they are covered by God's grace and that they are covered in prayer. Receiving the prayer blanket was a milestone.

The three stories above are examples of three of about 20 milestones we celebrate at PCJH. Our mission at PCJH and within Children, Youth and Family, is to pass on the faith by partnering home and congregation. Studies show that when parents and the church partner together in the spiritual formation of a child, they end up making a bigger impact than if they were to do it alone. Therefore, in an effort to equip and partner with parents in ministry to their kids, we have a *Milestones Ministry* at PCJH. We have created milestones in order to ensure that all children passing through PCJH go through the significant rites of passage to prepare them spiritually for adulthood.

We have four different types of milestones.

- 1) Bibles
- 2) Gifts
- 3) Experiences
- 4) Memorization

**Bibles** – Children need age appropriate bibles for the various developmental phases of life. We provide story book bibles to kids at birth; beginner bibles when they turn age two; Spark bibles when they go into

third grade; a teen study bible when they enter middle school; and an adult study bible when they graduate from high school. Our hope and prayer is that our children learn about God's love for them through God's word.

**Gifts** – Children will receive a few different gifts during their time at PCJH. Gifts range from prayer pillows, prayer cards, prayer blankets and bibles. Our hope is that these gifts will remind our children of God's gift of grace.

**Experiences** – Giving children and youth an experience they will remember can be a significant part of their spiritual formation. Experiences include baptism, first communion, confirmation, mission trips, graduation celebrations and more.

**Memorization** – Memorizing Scripture and other significant parts of the Bible can be extremely beneficial to spiritual formation. Many of you might be impressed with Pastor Paul's ability to recite Scripture from memory. When he was a child his church encouraged him to do this. It has obviously stuck with him throughout the years. Our memorization milestones include memorizing the Lords' prayer; the 10 commandments; 10 to 15 key Bible verses; and the books of the Bible.

Parents, the milestones ministry is meant to be a shared responsibility between your family and the church. We will do our best to create opportunities for your child to go through all the appropriate milestones, but ultimately it is your responsibility to encourage them and ensure that they don't miss a milestone.

In September we will have a new full-size display board between the two nursery classrooms in the hallway of PCJH. The space will be permanently dedicated to the milestones ministry. It will have information and brochures so that every parent can be equipped and trained to walk with their children through the various milestones offered at PCJH. I will also be teaching a one day milestones ministry orientation for families on Wednesday, September 19<sup>th</sup> at 5:15pm. I look forward to partnering with you in ministry!

*"Start children off on the way they should go, and even when they are old they will not turn from it." - Proverbs 22:6*

~Pastor Ben**

2012 Rummage Sale  
A Great Success

The church's annual Rummage Sale on Saturday, August 11, continued the decade-long tradition of being a great success and a wonderful outreach to our communities. When this popular event opened at 8am, the line of over 100 customers from all over the region stretched from the County Fair building to Snow King Avenue.

In addition to the usual advertising and listings in community event calendars that we always do, we were fortunate to have a rummage sale "headline" in Ceci Clover's Circling the Square column of the weekly News & Guide newspaper. We believe this helped attract the estimated 1,500 people that came to the sale this year. We saw many families eagerly stocking up on clothing and household needs at good prices.

The sale takes five days to set up—that's a lot of sorting and pricing! It would never be possible without all the helping hands both within and outside of this church. More than 65 volunteers put in over 800 hours. Some especially essential assistance was provided again this year by:

- Karen Ford contributed use of a storage unit in Wilson for a year
- Teton Trash donated use of a dumpster. Community trucks from the Gillespie Group at Sotheby's and from Habitat's Re-Store were used for hauling, along with trucks from MANY friends.
- Habitat Re-Store and See 'n Save in Driggs accepted items at the end of the sale. The Community Resource Center (CRC) received coats for their clients.

It was great to see many PCJH folks getting involved for the first time this year, contributing lots of new, good ideas. We were able to expand the sales area outside the building and improve convenience for shopping with more clothes on racks and tables. Many customers and volunteers noted the attractive layout of and quality of merchandise. And we posted a schedule for price reductions for the first time. Also new this year was use of a large construction trailer at the church in advance of the sale to collect donations, thanks to Dean Lewis and the Delcon team.

The 4-hour event grossed over \$8,500 before expenses. Donations of furniture were down this year, and we opened with lower prices on basic needs. The church Finance Team will determine use of the funds, which, in the past, has included community outreach needs, as well as church programs.

A very special thank you to each of you whose lovely donated items have made this sale so popular and help so many community people through the years. If you still need a receipt, please call the church office.

Again, thanks to all who helped in so many ways, as we reach out in faith and trust to serve, following the example of the world's greatest Servant.

## J.O.Y. Summer Camp

Thank You PCJH Family for Your support!

We had a wonderful summer of fun, fellowship, and following Jesus - God Sightings were plentiful! Our staff, teachers, and "leaders in training" were such a blessing - sharing our Lord's love with & guiding 90 campers! Because of your support of this ministry and a generous grant from the community, families received \$11,500 in tuition assistance to attend J.O.Y. we could not have done this without your help. Thank you!  
In His Service,  
Sarah Gensch & Diane McGee

# Little Lambs

Little Lambs is back in session and we are excited to be here! There is so much on our calendar, I hope we have time to pack it all in. We kicked the school year off with "A Healthy Start" making fruit and yogurt parfaits and learning various exercises in order to keep our minds and bodies healthy.

We also held a "Trike-a-Thon" to raise bike safety awareness and to raise donations for the St. Jude's Children's Hospital.

Our September bible verse is "Nothing can separate us from God's love," and we are constantly seeking the wonders of His great creation and are having a great start to the school year! Blessings ~ Mrs. Erin

September 2012  
 DEACON/STEPHEN MINISTER  
 Meg Womack

Let me introduce myself.

I am another delighted transplant here in Jackson, coming from Billings, Montana, in 2005. I love the outdoors (who doesn't), and love the bounty that Jackson offers in its beauty and in its people. I am thrilled to have our son Wes and his wife Stef here in Jackson, and daughter Joy and her husband Mike not too far away in Carbondale, Colorado.

Something most people DON'T know about me, is that Ray and I lived in South Africa for 3 years, and that we have been back to Kenya and Uganda on several occasions to work and provide technical skills to the needy. My greatest discovery from these work experiences, was that it was I who was the "needy" one with how much I personally gained from the people we went to serve.

Another thing that most people DON'T know about me, is that for years, coming from Montana with our whole menagerie of pets, our family horse packed all over Wyoming's Wind River range. And, oh, did we have some fun.

I look forward to getting to know more in our community at PCJH, and the people in our area, and I am excited to be available to PCJH as a Deacon and a Stephen Minister.

REHEARSAL TIME AGAIN

PCJH Adult Choir Practice will resume 9/12 in the main Sanctuary. If you have had any interest in becoming part of this fun, meaningful and integral part of Sunday's Worship please come by and see what we are all about. Choir practices are usually done by 8:30pm on Wednesday with a Sunday morning warm-up at 9:30am to sing during the 10:15am service. The commitment is easy and worth every breath!

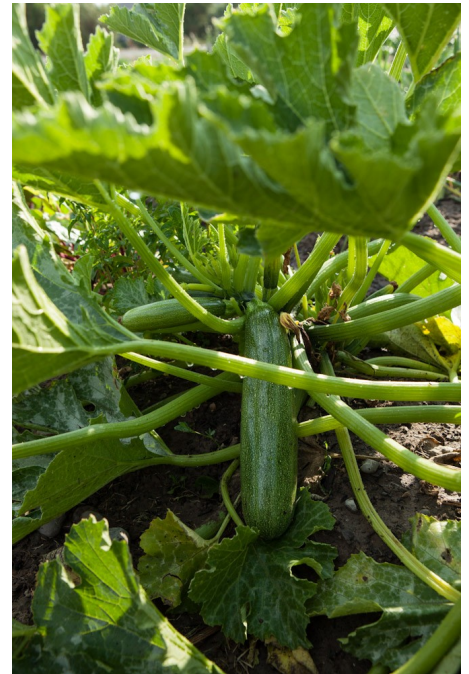

**Sunday, Sept 23rd following 10:15am service** will be our 2012 ALL CHURCH POTLUCK hosted by your Deacons, Congregational Life and YOU ! Please plan on bringing a side dish or dessert to serve 8-10 to share. If the weather cooperates, we will be outside in the common area outside the Genesis Room... if not it will be hosted in Fellowship Hall. Please plan on attending this yearly fellowship for an opportunity to spend time with all your PCJH members and friends. Everyone is invited and encouraged to attend. Look for additional details in our September weekly bulletins and emails. Look for additional details in our September weekly bulletins and emails.

2 Corinthians 13:14 May the grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with you all. (NIV)

Thanks to all you gardeners, with the fantastic help of chief PCJH maintenance man Cody Brinton, our garden has been a fabulous success and a ton of fun!!

# SAVE THE DATE !

## **After Life** **A Biblical and Historical Look** **at Life After Death** **Sundays at 9:00am or Wednesdays** **at 5:15pm**

*"For years Christians have been asking, 'If you died tonight, do you know where you would go?' It turns out that many believers have been giving the wrong answer. It is not heaven." -N.T. Wright*

Does the above quote surprise you or intrigue you? If so, come to Pastor Ben's six-week class, **After Life**, offered on Sundays at 9:00am (starting Sept 9<sup>th</sup>). If Sundays don't work for you, there will be an identical class offered on Wednesdays at 5:15pm (starting Sept 12<sup>th</sup>). Below is an outline of the course.

**Common Confusion** (9/9 or 9/12) Many Christians are unaware of what the Bible says about life after death. Surprisingly many common beliefs about the after life are not rooted in biblical theology.

**The Interim State** (9/16 or 9/19) Jesus promises the thief on the cross that today he will be with him in paradise, the Catholics speak of Purgatory, others talk about the communion of saints. Where does one go between the moment of death and the future resurrection?

**Heaven & Hell** (9/23 or 9/26) How does the Bible describe heaven and hell? How has secular culture shaped our understanding of these two destinations?

**To Heaven and Back: A Conversation with Dr. Mary Neal** (9/30 only) Mary Neal is an elder of PCJH, an orthopaedic surgeon in Jackson, a wife and mother, and a recent author of her nationally acclaimed best-selling book *To Heaven and Back*. Mary will share her story of when she drowned on a South American river and went to heaven.

**Resurrection** (10/7 or 10/10) God's word tells us that there will be a day when all who are in Christ will be resurrected. Scripture also talks about the new heaven and the new earth. What will this be like?

**Living Out Our Hope** (10/14 or 10/17) Why does all of this matter? Does our view of the after life impact our present life?
