

Dear Parents,

All month long, we've been learning that Jesus is alive! It's the best news ever. Today, we planted seeds as a reminder of this truth. Please place this cup in a sunny spot and give it just a little bit of water when the soil is completely dry. Each time you walk by the plant with your child ask, "Who is alive?" and then say "Jesus is alive!" together.

Thanks for bringing your child to church today!
