THIS ROW OF LABELS INTENTIONALLY LEFT BLANK

Hello Parents!

Today we made a cup and ball game to help us with our story of Elijah and the Widow. Elijah was really hungry and had no food to eat. God told him to find the woman He had chosen and she would feed him. The woman used all her oil and flour to make Elijah bread. Her jars were empty but God filled them up so they would always have food to eat because **God is good.**

To play the game, hold the cup in one hand and flick your wrist to sling the ball into the cup. The cup was empty and now it's filled. Repeat as long as desired.
