Dear Parents,

This month, your kids are creating their own craft stick Nativity characters. We encourage you to read the Christmas story together from Luke 2 as your child acts-out the story with their characters. Feel free to create the scene where Jesus was born by using crafting tape on a window, mirror, or an empty shoe box. If you have plastic farm animals at home, you can add those, too! Next week, we will add the shepherds to the scene. Write the gear on the back of each craft stick so you can pull these out with your decorations as you celebrate Christmas, year after year. Thanks for bringing your child to celebrate with us!

Merry Christmas!
