

1

Fold a paper square twice; then open it back up.

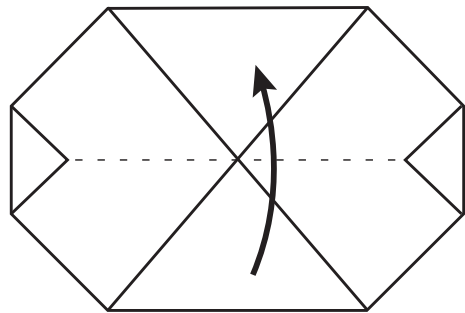

2

Fold the top and bottom corners in to meet the center fold line.

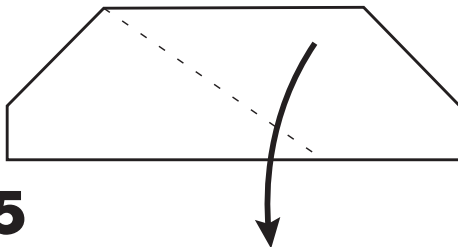

3

Fold the left and right corners in, like this.

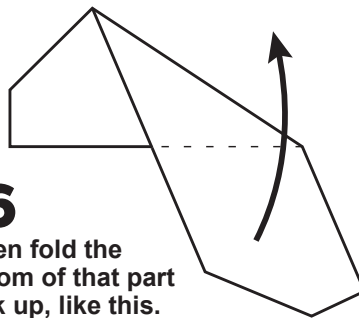

4

Fold the whole thing in half upwards.

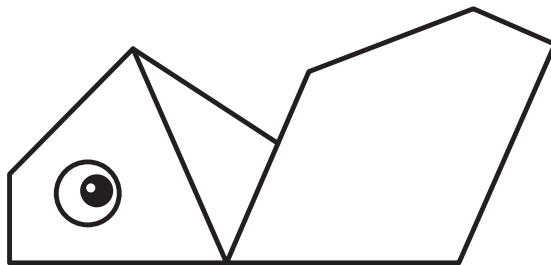

5

Fold the right part down, like so...

6

...then fold the bottom of that part back up, like this.

7

Draw, paint, or stick some googly eyes on and boom, you're done!

What to Do:

Print one for each kid.
